ALLEGION™

ALLEGION™

Introduction

About Allegion

Allegion's expert team of over 500 across Australia and New Zealand are dedicated to providing the best solution for local needs.

With engineering and assembly teams in Melbourne, Sydney and Auckland, and support offices in Auckland, Wellington, Christchurch, Dunedin, Brisbane, Sydney, Melbourne, Adelaide and Perth, Allegion is committed to providing products and services of the highest quality, either individually or as part of a co-ordinated package, tailored to suit your individual building needs and combining the elements of design, specification, manufacture and supply.

Our team of technically trained Architectural Consultants are available to assist you with the increasingly technical areas of product specification and door hardware scheduling.

With leading global brands such as Schlage, LCN and Legge and locally developed brands Gainsborough, API, Austral, Brio and FSH, Allegion is committed to the safety and security of Australia, New Zealand and the Pacific Islands.

Our Vision and Purpose

Every pioneer needs a good sense of direction - and everyday, we put our principles into practice. Doing so makes us a stronger company, and a better place to work.

Vision: Enabling seamless access and a safer world.

Purpose: We create peace of mind by pioneering safety and security.

Gainsborough™

ENTER WITH STYLE

Introduction

About Gainsborough Hardware

Designed and tested here in Australia, Gainsborough door handles, deadbolts and door locks are made for everyday living.

Backed by 50 years of product innovation, we fuse style and security into reliable, beautiful, and versatile hardware that works silently with your home.

We've got you covered.

We are experts on security and safety compliant hardware.

With a range of accessibility and building code compliant hardware, you can rest assure you are getting the right hardware for your project.

Whole of house offering.

Gainsborough offers the complete solution for your door hardware needs. From the front to the back of the house or development, we have all the products you need to complete your project.

Service and after-sales support

Gainsborough, part of the Allegion family of brands, allows us to be able to better support you. You can be rest assured you are in safe hands. We provide free training and scheduling services. We have a team of technicians and customer service to assist you throughout your project.

With a team located around the country, as well as product and customer support located here in Australia, we can support you and your customers every step of the way. We are able to product free installation and selection training, on top of our free scheduling service.

Choice Series
Leversets

This affordable range has a unique style, ranging from classic lever design, smooth contours or a more contemporary styled lever with crisp edges.

From tapered Lianna and Bailey levers through rounded Olive, Florence and Carla to the classic look of the First Impressions entry handle set, the range offers the perfect solution for every home, adding elegance to any doorway.

Features

- Privacy leversets include a privacy latch as standard and feature internal locking button, panic release from inside and emergency access from outside to suit bedroom or bathroom doors
- Passage lever for general internal, non-locking doors
- Made from tried-and-tested zinc alloy for durability

Trilocks set the standard from your front doorstep, inspiring you to express your signature style with complementary levers throughout your home. All Trilocks feature state of the art tarnish-resistant finishes that can be matched in look and feel to your favourite interior levers.

Features

- Solid brass double 5 pin Euro profile cylinder can be keyed alike no other Gainsborough products for same key convenience
- The push button lockset mode from inside of the door features a panic release by simply turning the inside knob or lever
- Levers can be easily rotated during installation for use on left or right hand doors
- When unlocked and unsnibbed, Trilock operates as a normal passage set
- Lock body readily replaces old keylocks fitted to a standard 54mm hole
- Single handed operation (key operates all functions of the lock)
- Deadbolt 20mm throw for extra security

ALLEGION™

Warranty

Exclusions

1. This Guarantee only applies to defects which have arisen solely from faulty materials or workmanship in the Product and does not apply to other defects however arising, including without limitation as a result of the following:

– accidental damage, abuse, misuse, maltreatment, abnormal stress or strain of the Products;
– neglect of any kind in respect of the Product;
– tarnishing and damage to or deterioration of finishes as a result of harsh or adverse conditions (including corrosive environments such as the coastal locations and large fluctuations in pressure or temperature);
– deterioration in colour and performance of polymer materials;
– fair wear and tear;
– installation or maintenance of the Products not in accordance with the instructions provided with the Products.

2. Alterations to repair of the Product other than approved by Allegion are not covered by this Guarantee (for the avoidance of doubt, attachment of accessories or use of non genuine replacement parts other than those manufactured or approved by Allegion are not covered).

3. Costs incurred by the removal, replacement or installation of the Product are not covered by this Guarantee.

4. Personal injury, property damage or economic loss, howsoever caused, will not be covered by this Guarantee.

Australian Consumer Law

In addition to this Guarantee, certain legislation (including the ACL) may give you rights which cannot be excluded, restricted or modified. This Guarantee must be read subject to such legislation and nothing in this

If Allegion fails to meet a guarantee under the ACL, your remedy for such failure may be limited to any one or more of the following at Allegion's discretion:

– replacement of the product;
– repair of the product;
– refunding the cost of the product;
– payment of reasonable costs of having the product repaired;
– payment in respect of the reduced value of the product.

As required by legislation, including the ACL, any claims for damage, or any consequential loss either directly or indirectly due to defects of any kind in a product will only be met by Allegion where the damage or loss was reasonably foreseeable by Allegion.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Guarantee Claims

Any defective product must be returned to the point of sale before replacement can be considered under the terms of this Guarantee. If the costs of returning any defective parts are excessive or unreasonable, please contact Allegion so that we can arrange a collection (if considered appropriate in the circumstances).

Guarantee claims can be made at the point of sale or by posting or emailing a Guarantee claim to Allegion (contact details listed below) within 3 months of the appearance of a defect. Guarantee claims under this Guarantee must include the following details:
· Date of Purchase;
· Location of Purchase;
· Proof of Purchase;
· Contact Details

Allegion's contact details are as follows:

Address: 31-33 Alfred St Blackburn VIC 3130
