101.6mm x 50mm Centre Double 50mm Pocket Head

Introducing our new 50mm pocket framing system. Handy for Acoustic jobs where thicker IGU's are specified, even triple glazing. The allowance for wider IGU's also allows for lower U values.

The complete assembly comprises of:

<i>CODE</i>	<i>ITEM</i>
• Mainframe	DG5001
• Sill	DG5002
• Sill Bead	DG5003
• Pocket Adapter	DG5004
• Male Mullion	DG5010
• Female Mullion	DG5011
