Technical Manual Available

1675 Rigid Cover Strip

Features and Benefits

- ☐ This is a rigid version of the 1675 cover strip.
- ☐ Rigidity and UV stabilisers ensure no shrinkage when in external applications
- ☐ High end option to the 1675
- ☐ Can fit over rivets and screw heads without an obvious bulge seen with the softer 1675 variant.
- ☐ 1675-Rig vs 1675 shrinkage. 1675 should be used indoors, whereas 1675-Rig is more suited to outdoor applications

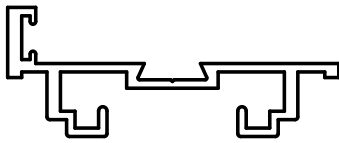

Finishes

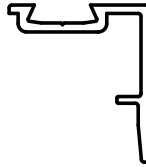

- ☐ Black
