# SPECIAL FEATURE

## NEW GUILLOTINE & BRAKE PRESS MACHINES

### *Now available in Darley's Victorian Office*

Darley is pleased to announce that the new aluminium guillotine and brake press machines are now in operation in the Darley Victorian office.

The guillotine machine cuts the aluminium sheets to size and the brake press machine folds & bends the sheets. Both machines have the capabilities to handle lengths of up to 3.6m sheets and a sheet thickness of 1.2mm to 4mm. We also offer the option of **In-house Powder Coating** for all aluminium sheets. Contact your Account Manager or local Darley branch to find out more.

Guillotine Machine	
Type of Sheet	Flat aluminium sheets cut to size
Lengths	Up to 3.6m sheets
Sheet Thickness	From 1.2mm to 4mm

Brake Press Machine	
Lengths	Up to 3.6m sheets
Sheet Thickness	From 1.2mm to 4mm
Types of Folds	Made to size: <ul style="list-style-type: none"><li>• Top hat</li><li>• Angles</li><li>• Z shape flashings</li></ul>

## Verta 316 Stainless Steel Door Furniture

Influenced by classic designs, modern trends and architectural spaces – the Verta Series range of door hardware from Allegion, is made from solid stainless steel.

Every element of Verta has been sourced, crafted and finished by experts. The Verta range consists of pull handles, long-plate levers, eschuteons, bi-fold levers and other accessories that can enhance your home inside and out.

Engineered to meet Australian climatic conditions, the Verta range has been tested to endurance standards of 200,000 cycles. It also comes with a 25 year finish warranty and a 10 year mechanical warranty. Verta's precision engineering, uncompromised design and superior construction is the perfect balance between functionality and beautiful design.

# SPECIAL FEATURE

## DARLEY VICTORIA NOW OFFERING TIMBER REVEALS

Your one-stop-shop for all your aluminium window & door needs

We are pleased to announce that you can now order timber reveals cut to size with your KlassicView kits.

Darley's NEW timber reveals are:

- 138mm wide primed ALBASA timber
- Available cut to size to suit your kit order or in 5.8m lengths
- Made using a finger jointed laminating process
- Adhere to Australian standards with regards to shrinkage, moisture and warping of timber
- Responsibly sourced from timber plantations
- The new *Inline Reveal Adaptor* is also available to compliment the KlassicView line

**TO ORDER your timber reveals go to:** [www.darleyaluminium.com.au/Products/Order-Online](http://www.darleyaluminium.com.au/Products/Order-Online)

As bushfires continue to pose significant threat to homes and properties in fire-prone areas of Australia, here at Darley Aluminium we remain committed to delivering products which meet demanding building regulations for buildings in these areas.

Darley Aluminium's window and door systems are configurable to offer a wide range of protection levels to bushfires, all without compromising on the functionality, performance, aesthetics or value you can expect from a Darley Aluminium product.

*For further information including compliance levels & fabrication details, please contact your nearest Darley Aluminium Office or visit our websites.*
